Greetings from Wildlife in Need and El Kabayo Stables!

We are now preparing for our second annual Horse Festival and **WIN Fundraiser** called **Unbridled at El Kabayo!** Last year's event was an unqualified success. This year promises to be another action-packed fun day for the whole family!

Activities include:

- ❖ Parade to launch the festivities
- ❖ Horse exhibitions, competitions, and games
- ❖ Meet animals from WIN Rescue Center, Ocean Adventure Mascots, and resident horses
- ❖ Aeta cultural presentation
- ❖ Horse painting contest
- ❖ Art and Photo Display
- ❖ Fun games for kids
- ❖ Raffle

El Kabayo is managed by the NGO **Wildlife In Need Foundation (WIN)** that operates the highly respected WIN Rescue Center for wildlife. We also rescue homeless domestic animals, and are a proud founding member of the Philippine Marine Mammal Stranding Network for the rescue of whales and dolphins.

It is our pleasure to invite you to be one of the **Unbridled!** event sponsors. Help us insure a great time for all guests, and a successful fundraising event for WIN. All proceeds from this event will go directly to the WIN Rescue Center. Below are sponsorship options to choose from:
